

## Appendix A. FIGURES

**Figure 1** – Map of Upper Colorado Special Recreation Management Area, Recreation Management Zones 1 - 5, and Wild & Scenic River Eligible Segments 4 and 5

### Upper Colorado River SRMA

**Figure 2** – Aerial view of Pumphouse Recreation Area, displaying the area of the proposed campground expansion

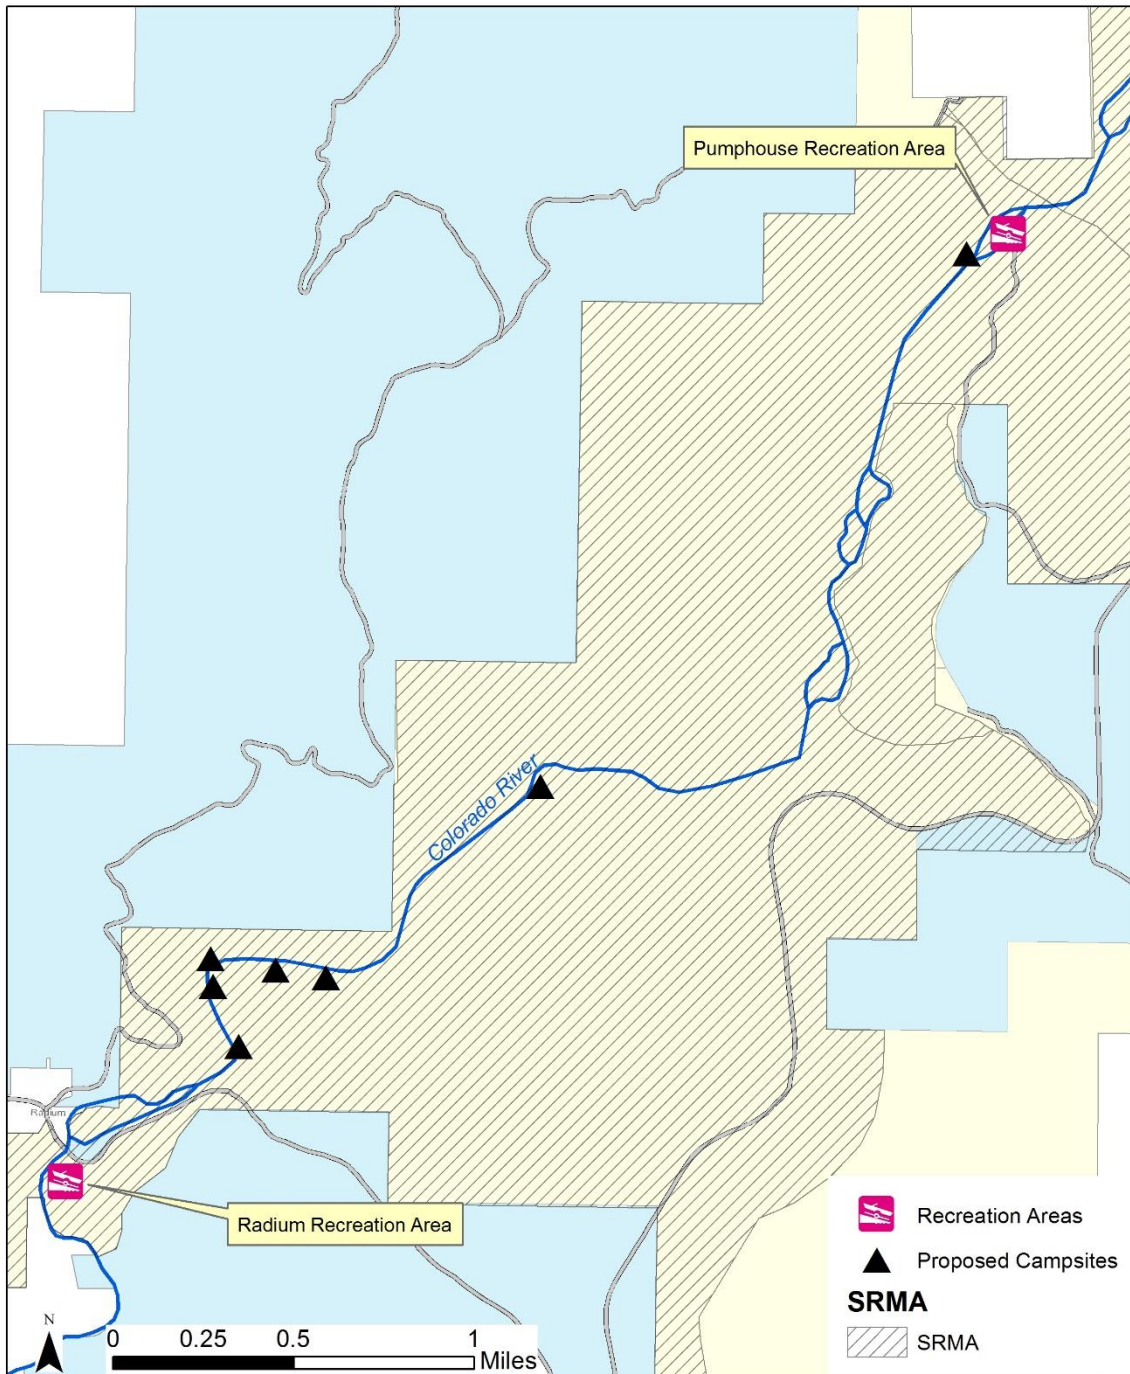

## Proposed Pumphouse Campground Expansion

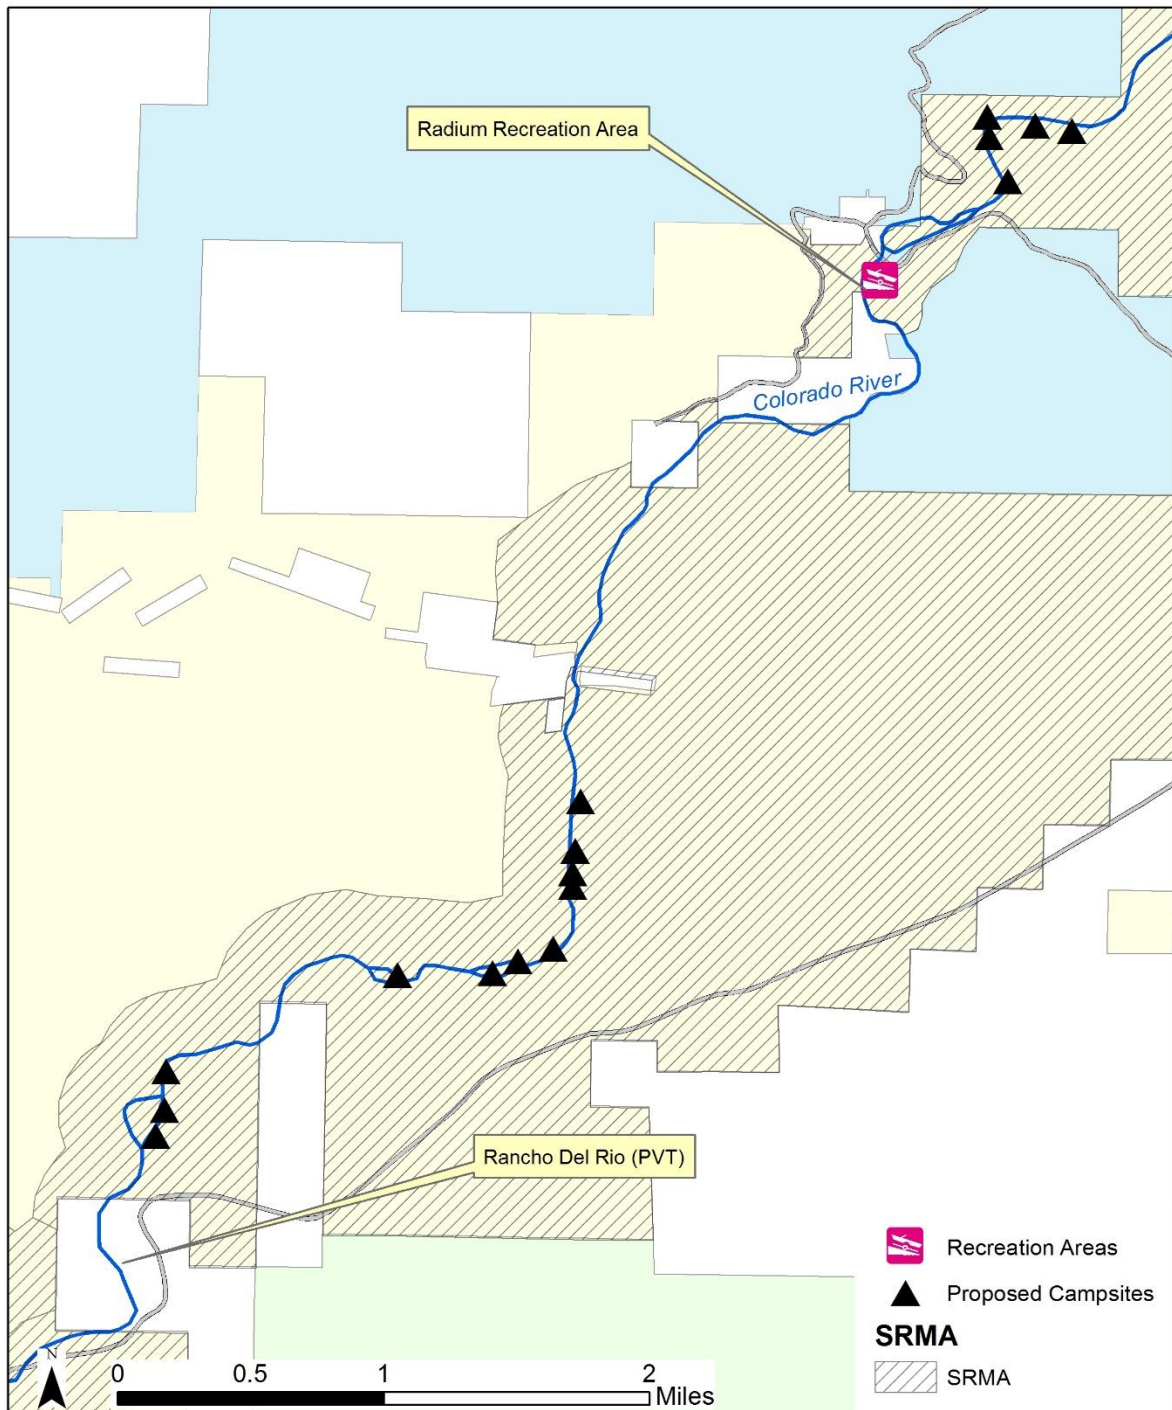

**Figure 3** – Map displaying locations of proposed designated campsites along the Upper Colorado River from Pumphouse Recreation Area to Radium Recreation Area

## Proposed Designated Campsites

**Figure 4** – Map displaying locations of proposed designated campsites along the Upper Colorado River from Radium Recreation Area to the Privately-owned Rancho Del Rio

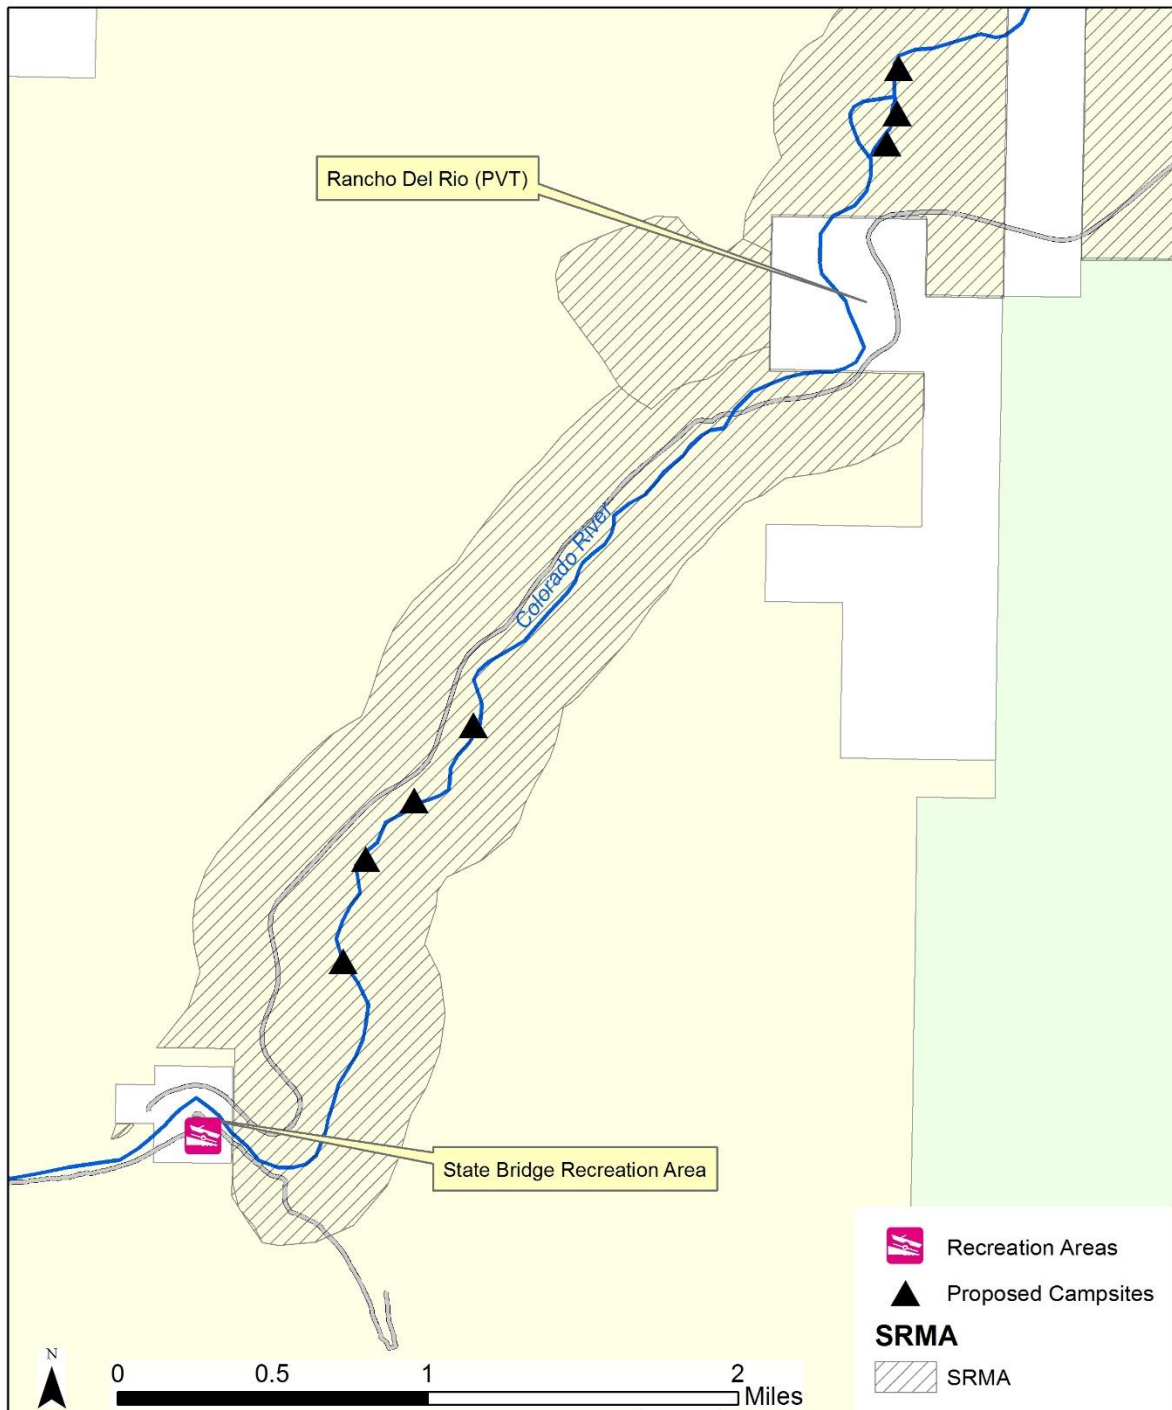

## Proposed Designated Campsites

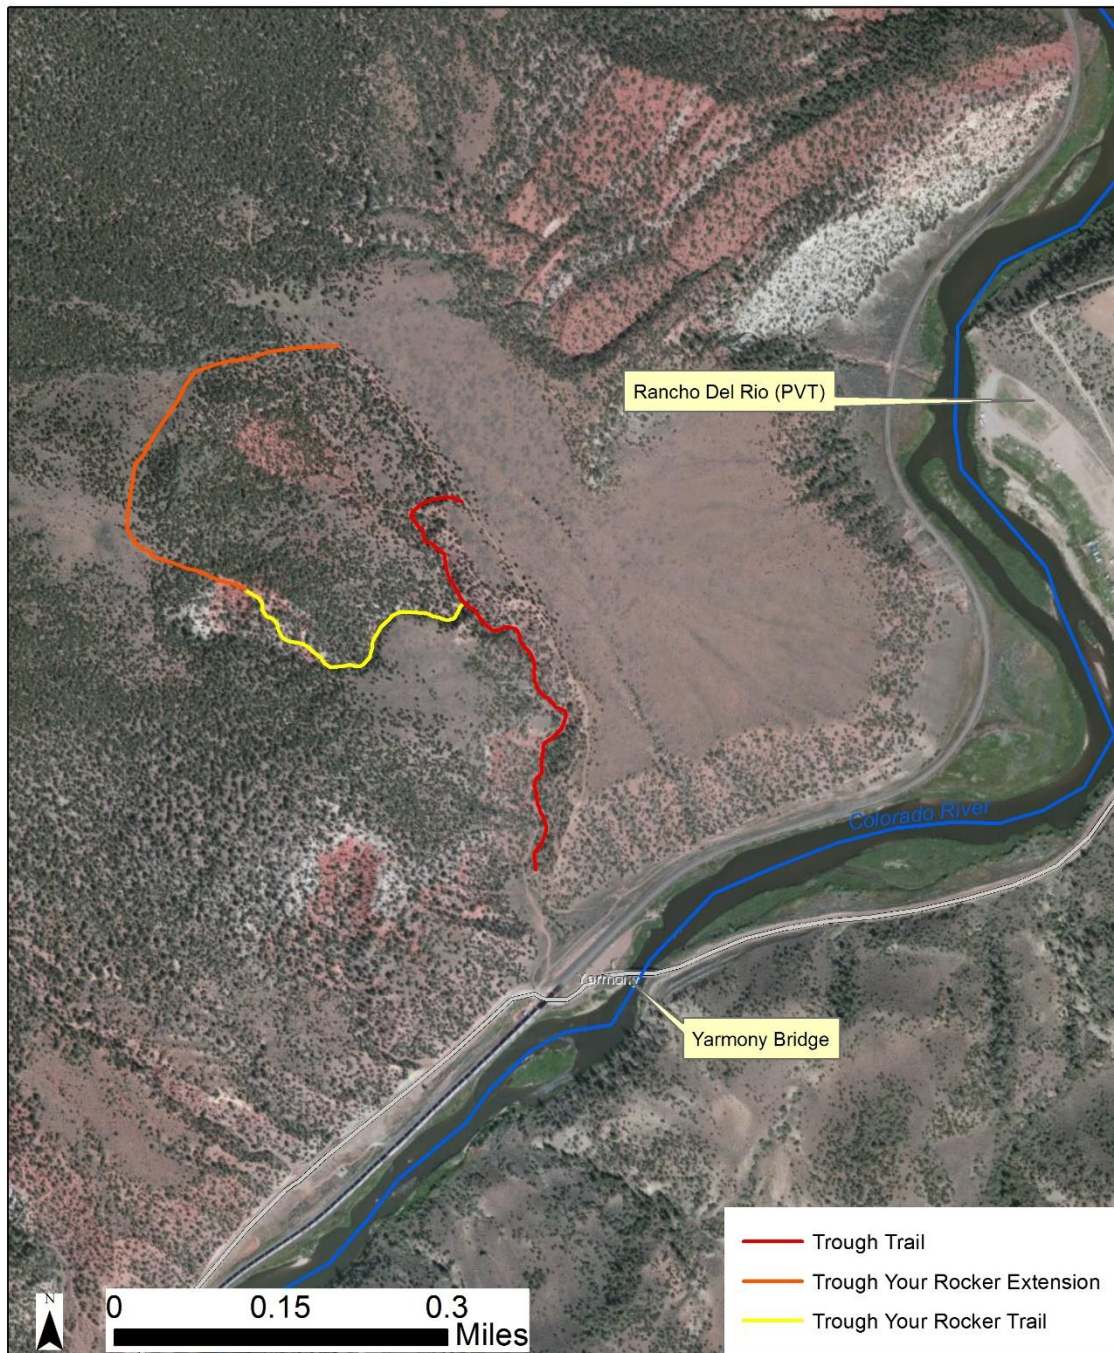

**Figure 5** – Map displaying locations of proposed designated campsites along the Upper Colorado River from Rancho Del Rio to State Bridge Recreation Area.

## Proposed Designated Campsites

**Figure 6** – Aerial view of RMZ 4, illustrating the designated Trough Trail; the existing Trough Your Rocker Trail that is proposed to be added to the transportation system; and the proposed new Trough Your Rocker Extension Trail.

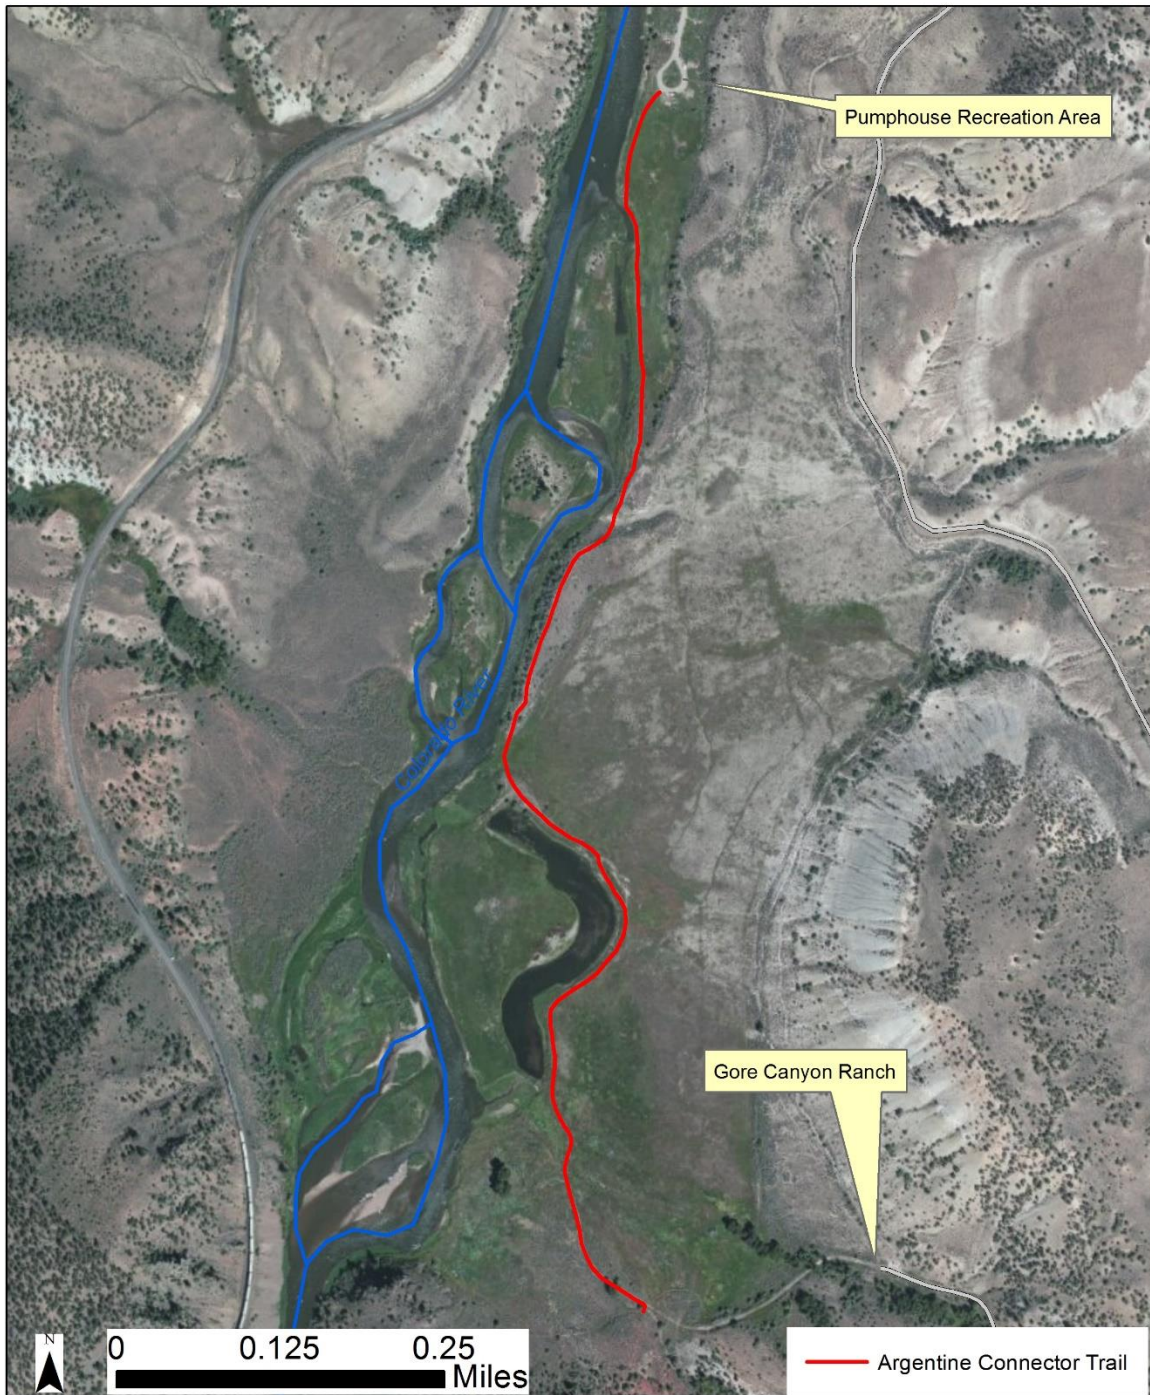

## RMZ 4 Proposed Jeep Trails

**Figure 7** – Aerial view of RMZ 3, illustrating the proposed Argentine Connector Trail, which would connect Pumphouse with the Argentine Trail at Gore Canyon Ranch.

## Proposed Argentine Connector Trail

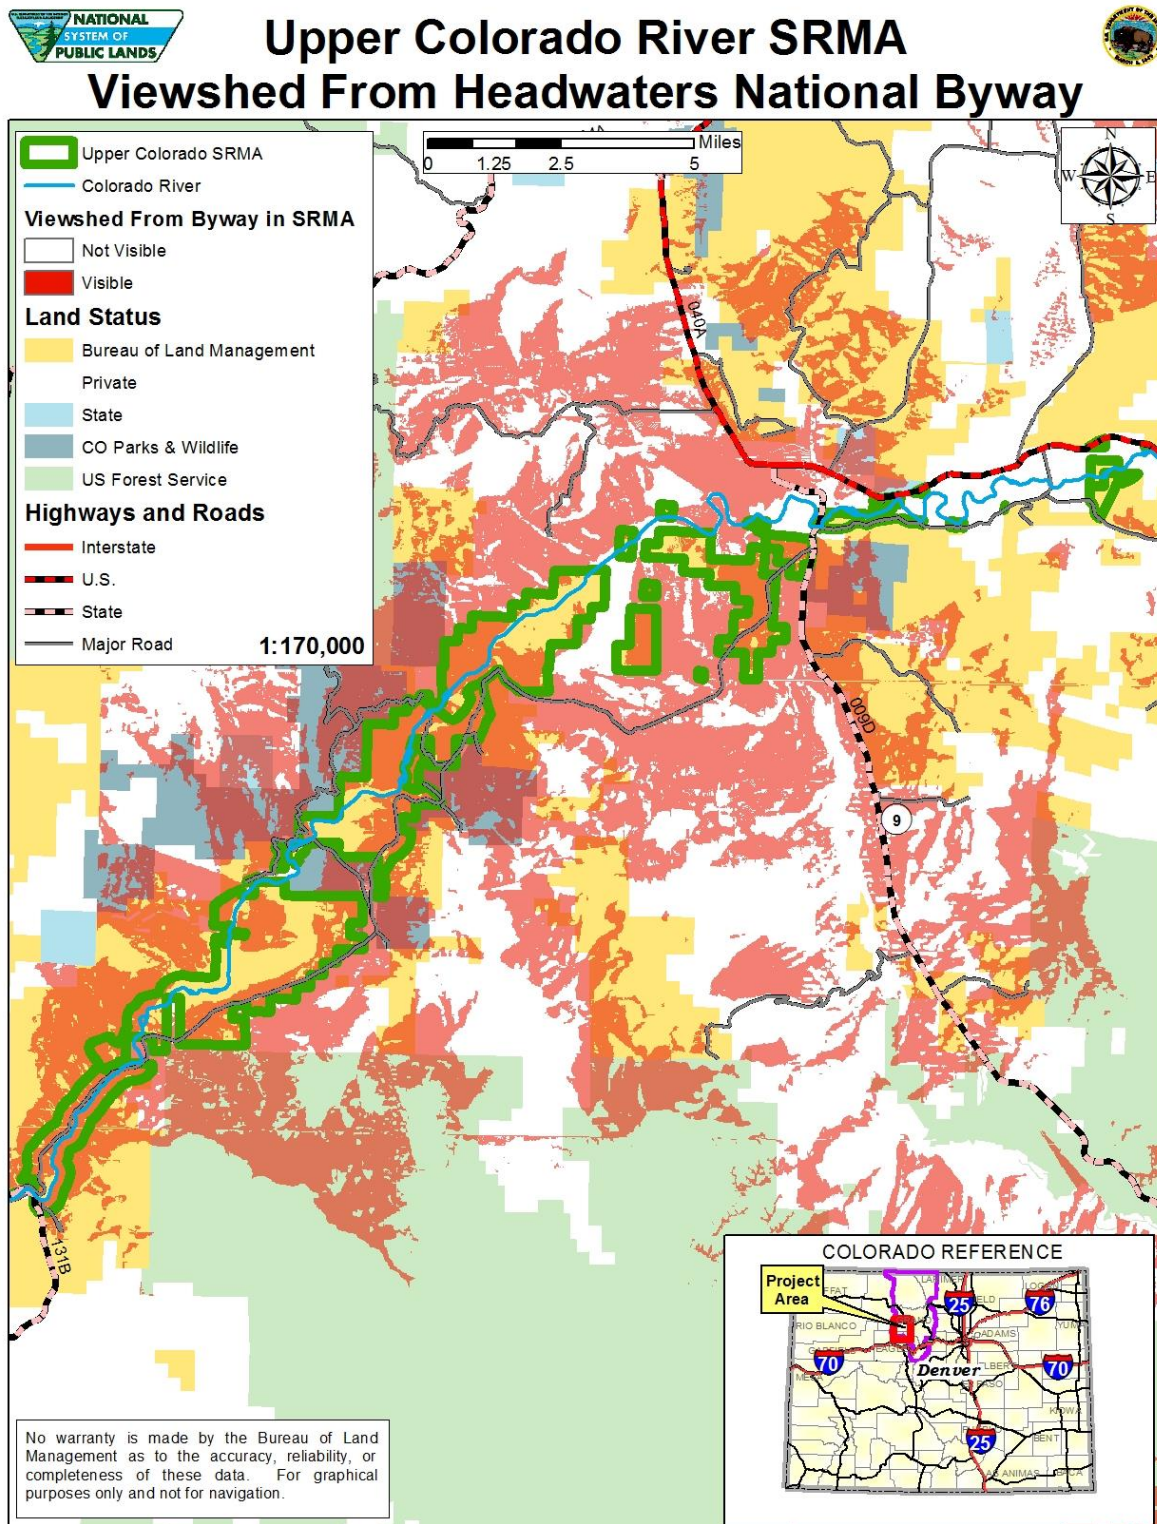

**Figure 8** – Aerial view of Old Trough Road alignment, displaying 0.7 mile of the alignment that was closed in the RMP, and 0.5 mile proposed for closure under this EA.

## Old Trough Road Alignment

**Figure 9** – Visual Resources Management map displaying areas visible from the Colorado River Headwaters National Scenic Byway within the UCRSRMA.

**Figure 10** – Visual Resources Management map displaying areas visible from the Upper Colorado River within the UCRSRMA.
